## Get Out and Vote!

Hello,

The Supreme Court this week reversed 50 years of precedent and overturned Roe v Wade. I am sure there are individuals on both sides of the viewpoint on this decision, but I have stated that I trust a woman to make reproductive health care decisions between herself and a doctor. Governor Pritzker has indicated that he is going to call the legislature into Special Session to continue to ensure that women have the reproductive rights that they deserve to make decisions for their own bodies, and I support this.

The City of Aurora has also cancelled their Independence Day parade for this year, citing untrue facts about attendance. It is very disappointing that the City is choosing to disrespect our time honored traditions that highlights our communities. For years, the parade goes on and the participants enjoy the day. I wanted to share that the Roosevelt Aurora American Legion Post 84 is hosting their annual Car Show in Downtown Aurora on July 3rd on LaSalle Street. You are all welcome to celebrate with our Veterans on that day and hear a war story or two.

Also, I wanted to remind you that Tuesday, June 28th is the Primary Election for our state. The date was moved due to the delay of the census numbers. Regardless of who you vote for, please get out to vote. If you need to know where your polling location is, you can click this link (<https://ova.elections.il.gov/PollingPlaceLookup.aspx>) or see below for more info.

I hope everyone has a great last week of June as we head into July.

Take care and be well,
