Upcoming District 84 Events and Updates

Dear Stephanie,

I hope you all had a relaxing time with family and friends over the holiday weekend. Now that the legislative session in Springfield has wrapped up, I will be spending more time in the 84th district and meeting all of you. This past week we worked with the First Student Bus Company to hold a Job Fair to create awareness to address the school bus driver shortage. We're also continuing our collection of donation items for Mutual Ground, and you can see how you may contribute to our donation drive below. This past Monday I also had a great time visiting with social work students at Aurora University. If you want to be energized and become even more optimistic about our future, I recommend spending some time with our youth, because they are bright and motivated to get out into the world to make a difference.

As a State Representative I enjoy meeting as many people as possible. That's why I'm excited to meet many of you at my in person "Coffee with Kifowit" chat this Monday at the Oswego Library at 9 AM. Bring a friend for some coffee and pastries as we will have some fun getting to know each other a little better. Doors open at 8:30am and there will be a Facebook Live chat at 9am. Details are below.

Next week I will be sending out a summary of all the key legislation that I sponsored, co-sponsored and supported in Springfield. I believe the session was a productive one and the legislation that was passed will make a positive difference in many lives. As always, if you have any questions on a bill don't hesitate to call my office at 630-585-1308 or visit the General Assembly website [here](#).

I hope the last full week of April treats all of you well, and hopefully we have more sunshine and no more snow. I think we've all had enough of winter!

Take care and be well,

Addressing the Bus Driver Shortage

Last weekend we partnered with Representative Janet Yang Rohr, Representative Barbara Hernandez, and Indian Prairie School District 204 for the First Student Bus Driver Job Fair. There was an Easter Bunny and egg hunt for the kids, but most importantly there was an opportunity to apply to become a school bus driver, and address the bus driver shortage. I had a lot of fun getting the chance to get behind the wheel of a school bus and

take it for a spin around the parking lot! (with no passengers)

If you are interested in applying visit workatfirst.com!

Visiting Illinois's Future Social Workers!

I had the privilege to visit two Aurora University Social Work classes this past Monday to meet these great students. I discussed what being a State Representative entails, legislation we passed this past session, and how important Social Workers are to aiding our most vulnerable communities across the state.

I am so excited to see these students continue to do big things in their last year of the BSW program at AU and what they will accomplish upon graduation as they get out into the world. If you or anyone is interested in being an intern in our District office next school year please email sebastian@ildistrict84.com with a resume or any questions!

Facebook Live Mondays at 9 AM

I continue to host Monday Morning Coffee live via Facebook at 9:00am-10:00am where you can post your comments and questions.

I realize not everyone has Facebook. The good news is that you can still participate. If you would like to join us on Monday mornings, you can join in via ZOOM! Once connected via ZOOM, you'll be able to interact just as if you were on Facebook. Don't worry you will not be on live - your video feed and mic will be muted.

The ZOOM link will be emailed to everyone separately for Monday morning participation.

If you would like to join us, please email Michelle@ILDistrict84.com or call the office at 630.585.1308.
