**Hines VA Hospital is now offering the COVID-19 vaccine to Veterans of all ages.**

If Veterans are interested in receiving a COVID-19 vaccine at the main campus or one of its Community Based Outpatient Clinics (CBOCs), they should call to schedule an appointment at 708-202-2707 or 708-202-7000.

Veterans need to be enrolled in health care at Hines or one of its six CBOCs to be eligible for the vaccine. However, to receive care in VA, enrollees must meet certain eligibility requirements under current law, which may include income limits.
